- Any nights that are canceled because of weather will be made up as follows: Rain outs from the first half of the season are made up **before** the 1st position nights and rain outs from the 2nd half **before** the final position nights. Regular schedule will not change. Exception: Any cancellation of a position night will be made up the following week. Players have the responsibility to track the schedule - league chairs will not call.
- On individual position night, the field will be divided into foursomes based on standings. Each player will compete against other players in their group; 2 points per win; possible total of 6 points.
- On team position night, 1st place team plays 2nd place team etc. 5 points winning team 0 to opponents. No individual points. Subs can prevent opponents from winning points. No sub means missing player forfeits all individual points. Sub scores will be used to determine team points only – not individual.
- All league members must post league scores within 3 days of play (by Sunday 10:00am) or they will lose all individual points “won” that week; the whole team point will also be lost even if either member of the team fails to post by the deadline for that week (Sunday 10am.)
